Principal's Message

Dear Parents, Guardians, Carers and Friends of New Lambton Heights Infants School,

What a wonderful week it has been. The weather has been hot but it has been nice to have some clear summer days.

Grandparents Day was a great success! I have had very positive feedback from the children and families. Thank you Mrs Probst for organising such a wonderful day.

Swimming Lessons

Once again this Friday, students are to wear sports uniform. They can wear their swimmers underneath or can change at school prior to leaving for the swimming centre.

Students did a great job of keeping their belongings organised and were able to change in and out of their swimming gear with no fuss.

Don't forget the plastic bag for wet clothes. Please label ALL items of clothing.

Class Organisation – 2015

We've been hearing rumours of people talking about classes for next year. Just like every other school, our classes will not be finalised until the first couple of days next year. We will not guarantee which teacher or class your child will be in next year because we won't know until then. There are too many variables out of our control such as new enrolments, group dynamics and most importantly, teachers need the time to sit together and discuss the best possible classes for ALL our children. Thankyou for your understanding.

Grandparents Day 28th October

Yesterday was the first day we celebrated Grandparents Day at our school. Grandparents Day is an opportunity to celebrate their contributions to their families and our school. A big thankyou to Mrs Probst for her organisation of the day and the P&C volunteers who helped serve the scones for morning tea. We are overwhelmed with the positive feedback we received and the number of grandparents who attended.

School Student Banking – We need you!

We need you! School Banking was reinstated into our school last year thanks to our Banking Coordinator, Sally Roberts (one of our mums). Sally now needs someone who can spare an hour or so one morning a week to learn and take over this role in 2015, as Sally's daughter will be moving on to Year 3 at another school. It would be a shame to have to stop this service if we are unable to get some volunteers. If you are interested *please see me or ask at the office for Sally's contact details.*

Music Count Us In

The whole school will be travelling to New Lambton Public School tomorrow morning to participate/perform in Music Count Us In. ***Please ensure all permission notes and money for bus is returned to school office.***

The children will be eating lunch at New Lambton Public School after the event so please be sure to pack a suitable lunch for them to take with them.

Student and Parent Orientation Visit to New Lambton Public School

Year 2 students who will attend New Lambton Public in 2015 and their parents will be visiting the school tomorrow Thursday, 30th October, at 9.30am. Parents will be required to transport their own children to the school. Year 2 will **need to be at New Lambton Public by 9.30am. Be sure that they have their school bag with a packed recess and lunch.**

The children will have an opportunity to meet the teachers and other Year 2 students and look around. They will visit the classrooms and participate in several activities and games while there. They will also be having recess with their new buddies.

While the students are busy, the parents and I will attend the school Library for an information session and morning tea.

The rest of New Lambton Heights Infants will be coming down and we will all join with New Lambton School in the **Count Us In Music** and **all students will return to school by bus at the conclusion of the event and lunch.**

There will be a **second orientation** for the New Lambton Public school group will be Thursday 13th November from 9:30am til 11:30am. Again, they will be staying for recess, so they will need to bring their bag and a packed morning tea. **Parents need to pick them up at 11:30 from New Lambton Public to bring them back to school.**
