Principal's Message

Dear Parents, Guardians, Carers and Friends of New Lambton Heights Infants School,

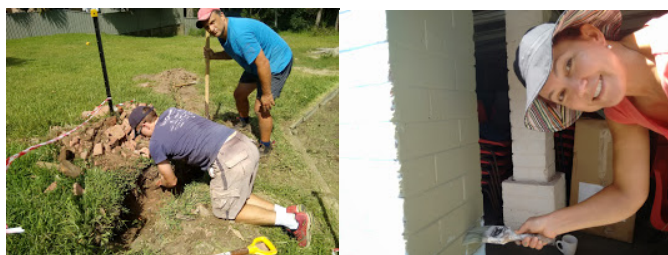

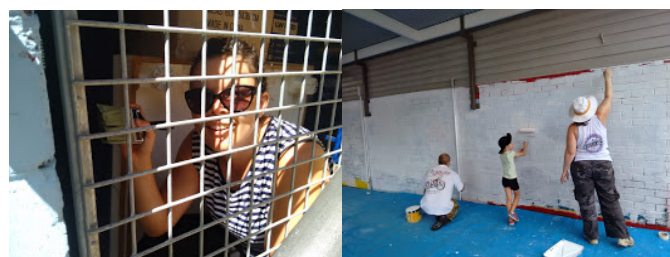

We have had such beautiful weather! The children are really enjoying their play times out on the playground. When I was on duty in the playground this morning I didn't even see one mozzie. Fingers crossed that that is the end of the huge numbers that we have seen over the past weeks.

School Student Banking

School Banking is beginning for 2015. Our brand new Banking Coordinator, Michael MacDonald (one of our dads) has let me know that banking will be on Tuesdays beginning next week. Kindergarten students will have an application form attached to the newsletter. If you are interested in having your child participate please fill in the form and return.

Working Bee - Thank You

I am so pleased with the numbers of helpers and the effort that they put into Saturday's working bee. The work that was achieved in one morning's work was **OUTSTANDING. Thank you so much.** Many asked if it could be a regular thing. As a result we will be having a working bee at the beginning of each term.

Drumming Demonstration/classes

I had my weeks mixed up. This Friday there will be a drumming demonstration. The presenter is looking at running a series of afterschool workshops in drumming here at the school this year. If you are interested in your child attending the workshops, come along to this week's school assembly to see the demonstration. Sorry for the mix up.
