Principal's Message

Dear Parents, Guardians, Carers and Friends of New Lambton Heights Infants School,

The children have had such a lovely last couple of days. The weather is cold but sunny and the term is winding down. I hope you enjoy the school holidays and we look forward to seeing them all fresh faced and ready for a new term.

Please take care when coming up through the Marshall Street entrance to the school. The damage to the road means that it is rough and a little slippery. The repairs to the road have yet to begin since the storm at the start of the term. The top layer of gravel was washed onto Marshall Street.

Term Three Start Date

The first day back for students next term is Tuesday 14th July. The teachers will be attending a training day on the Monday.

Parent Information Night 'Reading at Home' **TONIGHT**

Parents are invited to attend a *Parent Information Meeting 'Reading at Home' TONIGHT at 6.30pm*. This will be a great opportunity to discuss how we can work together to ensure your child's love of reading – a key to success.

Parents of all classes will come together in the 2C classroom for a presentation on how to best support your child's reading at home. This will be a practical and informative session. *I hope to see you there!*

Enrol Now for 2016

Thank you to those who have let the office know or have returned forms for children enrolling for next year's Kindergarten. If you have not yet done so, please let the office know ASAP. Dates and times for orientation days will be announced at a later date.

Kindergarten 2016 Meet & Greet Night

We will be hosting a meet and greet night at **6pm on Thursday 23rd July 2015**, for parents and carers of children interested in enrolling a child for Kindergarten 2016. Transition sessions for students will occur during Terms 3 and 4 this year.

Come along and meet other parents, have a cuppa, and find out more about our school. Meet the teachers and have a look at our school program.

Also, if you know someone who is intending to enrol their child for next year, please let them know.

Please note there will be no childcare available on the night.

Last Friday our Harmony Day was a great success. The children enjoyed the lead-up activities and those we ran on the day. Thank you to the parent helpers for their contributions on the day. Thank you to the P&C for their help with the lunch and canteen.

It was absolutely freezing and looking ominous by the time we all came out for lunch. A quick decision was made to best suit the majority of parents who were there at that time and the children who were shivering with cold. We brought the children's performance forward to allow parents to eat and get away and home as soon as possible. If you happened to miss the performance on Friday, we will be performing it again at this Friday's Assembly. I hope to see you there!

Hunter Dance Festival

A note went home to the Year 2 parents yesterday regarding important information about getting tickets for the night that our children will be performing, Wednesday 22nd July, and about other general organisational details. If you didn't receive one please see myself or the office staff.

All of the organisation regarding costumes etc are in hand and you will get more information soon.

Sport for Term 3

Sport moves to Thursdays for Term 3. Please send the children to school in their sports uniform every Thursday.

The children really enjoyed the 'Dance to Be Fit' program this term. The music and moves were great fun and they all joined in and learned many new funky moves.

Sport for the whole school will be tabloid activities and will focus on movement, coordination and catch/hit/kick skills. It will be a wonderful program and I know that the children will have a great time. There will be NO COST for sport Term 3.
