Principal's Message

Dear Parents, Guardians, Carers and Friends of New Lambton Heights Infants School,

We have come to our second last week of Term 2. Everyone has had a very busy time and I am sure we are all looking forward to the break.

The Director of Schools visited our school today to look at the school program and was very pleased with our achievements and our planning for the future.

The first day back for students next term is Tuesday 14th July. The teachers will be attending a training day on the Monday.

If your child has lost any items of clothing you may find them up in the lost property box (just outside the office). It would be advisable to have a quick look before the end of term.

Parent Information Night 'Reading at Home' **next Wednesday evening**

Parents are invited to attend a **Parent Information Meeting 'Reading at Home' on Wednesday 24th June at 6.30pm**. This will be a great opportunity to discuss how we can work together to ensure your child's love of reading – a key to success.

Parents of all classes will come together for a presentation on how to best support your child's reading at home. This will be a practical and informative night. I hope to see you there!

Enrol Now for 2016

Thank you to those who have let the office know or have returned forms for children enrolling for next year's Kindergarten. If you have not yet done so, please let the office know ASAP. Dates and times for orientation days will be announced at a later date.

Kindergarten 2016 Meet & Greet Night

We will be hosting a meet and greet night on **Thursday 23rd July 2015**, for parents and carers of children interested in enrolling a child for Kindergarten 2016. Transition sessions for students will occur during Terms 3 and 4 this year.

Come along and meet other parents, have a cuppa and find out more about our school. Meet the teachers and have a look at our school program.

Also, if you know someone who is intending to enrol their child for next year, please let them know.

Please note there will be no childcare available on the night.

Harmony Day celebrations will be held on Friday (19th June). This is a great opportunity for you to come along and enjoy the lunch break with your child.

The children will be doing special activities all morning and you are invited to come up to the school at 12:00pm for lunch.

If you are thinking of doing something special for this day (short activity for the children or create a display/stall of cultural significance) please write your details and ideas on the form at the front office.

A call for something tasty! We would love your input into our world food tasting station. If you can help add tasty finger foods to the station please see Mrs Baker. Please remember – we are a **NUT FREE** school.

We look forward to seeing you there!

K/1P taking centre stage- Great performance!
