Smartphone school to parent communication

Skoolbag is here! Our school now has an app-based communication system that you can access.

Skoolbag is the ultimate "school to parent communication tool."

This School Mobile App provides schools with an easy way to tell parents and carers everything they need to know about school news, newsletters, events calendar, cancellations, school notices, school information, photographs, school timetables, absence note e-forms, school documents and much more. No more lost paper in school bags!

The Skoolbag School Mobile App allows schools to alert parents to changes the school program and crucial notices or cancellations by using Free Push Alert Notifications directly to parent smartphones.

The Skoolbag School Mobile App is also perfect for consolidating your school Twitter, Facebook, Wiki, and other RSS feeds to give an easy single point for parent communication.

Please look at the Skoolbag information sheet attached to the newsletter to start using our Skoolbag straight away.

School Photos - **TOMORROW**

Tomorrow our school photos will be taken. **Please ensure that your child is in full Winter Uniform for photograph day.** Our photographer always does an excellent job and, with your help, the photos will be wonderful keepsakes. **If you haven't already returned your photo envelope, please ensure you sent it in tomorrow.**

Sport Change - **TOMORROW**

Due to our school photos being taken tomorrow, 20th August, we will be changing the 'whole school sport program' from tomorrow to Friday.

- **Please ensure that your child is in full Winter Uniform for photograph day Thursday 20th August.**
- **Sports Uniform to be worn for whole school sport on Friday 21st August.**

Parent Information Night 'Maths at Home'
TONIGHT

Parents are invited to attend **Parent Information Meeting 'Maths at Home'**. It is on tonight, **Wednesday 19th August at 6.30pm**. Parents of all classes will come together for a presentation **for a 'hands on', practical** night full of activities and hints for you to do with your child at home to support their mathematical learning.

I hope you can come along.

Education Week/Book Week

We are having an 'Open Day' next **Monday, 24th August at 12 o'clock**. There will be an assembly to celebrate the school's achievements. The theme is **'Books Light Up Our World'**.

The children are encouraged to come dressed as their favourite book character – *they need to have a copy of the book cover to carry with them.*

The children will present an item for you and the Year 2 Dance Group will perform the dance they have prepared for the Hunter Schools Dance Festival. You will then be able to go to your child's classroom to look at the work that they have been doing this year.

At lunch there will be a **family picnic**.

Don't forget the Book Fair in the library where parents will be able to buy books to donate back to the school's library in the morning or during the lunch break. **The library will be open from 8.45am for those parents who are unable to come to join us at lunchtime.** Books will be on sale for donation. (Books will be priced \$5, \$10, \$15, \$20).

Each book donated will have the child's name on a bookplate inside the cover. They will also be the first child to be able to borrow the book.

I hope this will be a great opportunity for the students to share their learning and for families to observe our outstanding quality school.

Dates for your Diary
