Safe Learning

I had a look at the Skoolbag administration centre this morning and it shows that we have 48 users who have loaded the app on their smart phone. Well done! I am expecting to have over 100 users by the end of the term. Please remember to let other parents know about the app!

Skoolbag is an amazing tool that helps the school to actively communicate to families. It is a good idea to have the app on multiple phones within families as we may need to alert parents to changes the school program and crucial notices or cancellations by using Free Push Alert Notifications directly to parent smartphones. It will also inform parents and carers about everything they need to know about school news, newsletters, events calendar, cancellations, school notices, school information, photographs, school timetables, absence note e-forms, school documents and much more. No more lost paper in school bags!

You can also access Skoolbag from a computer. Our school website has a link to a computer-based version of Skoolbag.

Whilst you are there you can also register to receive your newsletter via email through Skoolbag. We plan to move to this system in the near future. We need those already registered for eNewsletters to add their addresses to this list please.

Skoolbag is now also available to Windows phones! Search Skoolbag on the internet to find instructions.

School Photos

School photos day is always a special day at school. The students looked wonderful and the staff scrubbed up tolerably well! The photographers always give such lovely feedback about the students, staff and the school.

Parent Information Night 'Maths at Home'

The parent information night on 'Maths at Home' was a wonderfully successful night! Thank you to the parents who came along and a great big thank you to the staff for giving up their time to present to the group. Thanks also to the parents who brought the lovely treats for the staff the following day. Yum!

Education Week/Book Week

The Education/Book Week celebrations went off with a 'bang' despite the weather!

Kinder 2016 – Parent Information Night – Tonight

There will be kindergarten 2016 parent information night at the school at 6:30pm tonight. If you have a child starting kindergarten next year please come along!
