Printed Newsletters will soon become a thing of the past here at NLHIS

Our school newsletter is soon to become an e-Newsletter only. The new Skoolbag app will allow us to communicate with you in a more dynamic way. All weekly newsletters will be available along with many other pieces of communication. It will also allow you to directly become informed and communicate back to us. See 'Skoolbag' below for more information.

Don't forget to load the new Skoolbag App on to your phone. Search 'New Lambton Heights Infants' in your app store and download the Skoolbag app.

Winter/Summer Uniforms

The weather is warming up but it is still very unpredictable. The students will start feel the heat in their full winter uniform but I wish to maintain the winter uniform until the end of term and will change over to the summer uniform from the first day back next term. The boys may, however, the wear short sleeved shirts and the girls, socks in place of the leggings. I have a feeling that we will still have some cold days before the end of term.

Could parents ***please to be sure to label clearly ALL of your child's clothing with their name*** as we still have trouble finding misplaced garments. We are particularly finding that brand new items of clothing are not being labelled.

Swimming Lessons

Remember that money and notes for our school's swimming lessons are due. The note is available as an e-form on the Skoolbag app.

The swimming classes start from the first Friday of Term 4, 9th October. It is expected that all children will attend.

Use every chance you have between now and the start of Term 4 for your child to practise independence in changing into and out of swimmers and clothes. Also, help them to practise keeping all of their things together when changing, and packing everything up to come back to school – swimmers, towels, caps and goggles all go into their plastic bag. ***Please to be sure to label clearly ALL of your child's clothing with their name.***
