Year 2 Leadership

Our Year 2 students have begun their school leadership roles last week. The roster was published and given to all Year 2 students. They are doing a wonderful job. I would like to thank Mrs Dowman for her wonderful job of organising the school assemblies.

Work Health and Safety

Just a reminder that all visitors to the school will need to sign in and sign out of the school. The visitors' book is located near the entrance to the office. Near the visitors' book are copies of the school's workplace health and safety induction information.

Parent Meetings

Towards the end of the term, teachers will be hosting parent-teacher interviews. This will be a great opportunity to meet with your child's teacher and discuss their education.

Update Contact Details

If you have recently changed your contact details, please ensure you let the school know.

Child wellbeing – Schools' A to Z

While there is a natural tendency to focus on your child's reading, writing and number skills, a fundamental aspect of school success is your child's physical, mental and social development. Please see the link below. You will find a wealth of useful advice and suggestions to help you and your child navigate through these changing times.
