## Citizenship Award

It was with great pride that the first Citizenship Award for 2016 was presented to Alexia. She is a great role model and has consistently demonstrated great leadership. Alexia displays great initiative which she uses to help others. She is a great asset to our school.

## Interview times

It has been a wonderful process conducting parent teacher interviews. If you were unable to make a time to see your child's teacher, please organise a meeting for early next term.

## Term 2 Programs

As well as building on the foundations in English and Mathematics, next term Early Stage 1 will be studying "Staying Alive". Stage 1 will be studying "Water in my World" which explores the vital resources of water and developing an awareness of it as an essential resource for all living things.

## Organisation for 2017

We continue with our organisation for next year. If there are any children starting Kindergarten in 2017 in our local area, please encourage their family to make contact with the school.

## Holidays

Please have a happy and safe holiday. Teachers will return on Tuesday 26 April. Students will return on Wednesday 27 April.

## Dance2bfit

During Term 2, students will be completing weekly dance lessons. They will be conducted on a Wednesday afternoon (including day 1 of term). Sports uniform to be worn.

## Children and Screen Time

'Screen time' refers to how many hours you spent watching TV and playing on the computer. The link below (from Schools A-Z) has some great tips to assist parents in this area.
