New Fences

The new boundary fences have been completed. This was finished over the weekend and they look fantastic. Some of the greenery needed to be taken down (near the COLA). We will be looking at suitable replacement plants for this area soon.

Library Day

Stage 1 will be visiting the library on Monday with Mrs Munday. Early Stage 1 classes will be visiting on Wednesdays.

Head Lice

A few parents have notified us that Nits/Head Lice are present in the hair of some students within our school. An alert went out yesterday asking parents to check hair and treat if necessary. By regularly checking your child's hair we are able to keep outbreaks to a minimum. We would appreciate everyone's assistance in this matter.

Payments

Please ensure only school events are paid through the 'Make a Payment' link on our website. The online payments will be going straight to the Department's central bank account. Any fundraising events run by the P&C need to be paid in cash and placed in the **CREAM** P&C letterbox outside the office. The P&C have a **separate** bank account from the school where all fundraising monies are deposited.

Disco

Permission slips and Money are due this Friday 20th May. **Please note that as this is a P&C event all payments must be in cash. Notes and money should be returned to the cream P&C drop box outside the office.**

Late slips cannot be not accepted.

The cost is \$7.00 per child or \$10.00 for two children. This price includes water, an ice block and a glow item. Please fill in the form that was sent home if you wish your child to attend.

All current New Lambton Heights Infants students are welcome to come along for a fun-filled event. The evening will be supervised by school staff and parent volunteers. If parents wish to stay they may, but other siblings (older or younger) are unable to attend.

Harmony Day

Mrs Dowman has done an amazing job organising Harmony Day. This is a wonderful experience for students to connect to different cultures that make up our wonderful school community. The theme for this year's Harmony Day is "Our Diversity is Our Strength". Students will be engaging in different activities and presentations and enjoying different cuisines from around the world.

Walk Safely to School

On Friday 20 May, students are encouraged to walk safely to school with their parents or adult family members. The aim of the day is to promote walking as a healthy activity for families to enjoy.

Food Revolution

A massive thank you to the P&C for organising and sourcing Food Revolution food and activities on Friday. Each class will be participating in a rotation of activities which promote healthy foods and the associated health benefits.

Working Bee

The main focus of the Working Bee this weekend, will be to tidy the front gardens and the Aboriginal bush walk area. If you have some time to spare on Sunday 22 May, the school would be most appreciative. We will be starting at 8:00am and concluding by noon. Please note: you don't have to commit to the entire morning. If you are coming along, please bring your own gloves. It would really assist the productivity of the morning if you could bring in your gardening tools such as: wheelbarrows, shovels, rakes etc.

P&C News

Friday Canteen

Our Friday canteen volunteers for this week are Jenny MacDonald and Marian Hyde.

Canteen is held between 12:45 and 1:10pm (recess time). Please make sure you can setup at 12:30 ready for this time. Thank you.

If you have any queries you can contact the P&C via email nlhipandc@gmail.com

Food Revolution Day

This Friday 20 May is Jamie's Food Revolution and we have some wonderful things planned. We want to say big THANK YOU to Woolworths Kotara for supplying all the produce for the event, and to the parents who have volunteered to help out.

Trivia Night

The Trivia Night will be a great fundraising opportunity and a wonderful night of **fun, games and community**.

Respect

Responsibility

Safe Learning

We are looking for volunteers to help organise the school Trivia Night which will be held on Friday, 2 September. We do not expect this to take up too much time and as the saying goes, "many hands make light work!"

So if you are keen, have any ideas or inspiration, or can help in any way possible, from setting up on the night, to marking answers or collecting donations, please contact Carly Crispin on nlhipandc@gmail.com, or ask for her mobile number at the Office.

The P&C are also starting to collect donations for the evening, if you, or a friend or family member has business and would like to make a donation it would be greatly appreciated.

Entertainment Book

Entertainment books were sent home with your child last week. If you have decided to purchase the book please pay either by the link below or with cash to the P&C box outside the office. If you do not wish to keep it simply return it to the box outside the office.

We can also organize extra books for family and friends who wish to purchase through the school.

Digital memberships are also a fantastic option, very easy and convenient. If you have thought about a digital membership, but are unsure if it is for you, you are able to try and swap it back to the book if you require.

Both book and digital memberships can be purchased through the link below:
