Safe Learning

Thank you! Thank you! Thank you!

I would like to take this opportunity to thank Rebekah and Greg Holmes. They kindly sourced and delivered (at their own expense) some surplus-to-requirement furniture for the school. Learning spaces throughout the school, including classrooms, the library and the administration building have all benefited from these kind donations.

Uniforms

When the weather warms up in the middle of the day, students remove jackets and jumpers. Could you please check that all clothing is labelled? If your child comes home with someone else's jumper or jacket, please return it to your child's teacher so that we can return them. Thanks for your help in this regard.

Dance Festival

Rehearsals will soon be in full swing for the Year 2 students' item to be performed at the Hunter Dance Festival. Costumes are being finalised soon. As soon as we have this information, it will be sent to parents.

We will be performing on 28th July. Tickets can be purchased from Wests Newcastle from 25th June. Please note that tickets are non-reserved.

Learning Management Business Reform

The school has progressed onto the new administrative and financial systems. Please note we are still not accepting any money until 21st June.

My thanks go to Mrs Whetham for her commitment and professionalism during this process.

Over the coming weeks, it may take longer than usual to process certain transactions. Please be assured we are working hard to minimise any impact to the school community.

Silver Line Day

Which Sports House will have the longest line????

Our school is having a Silver Line Day to Support Ronald McDonald House. Up until recently one of the students at our school was living at the local Ronald McDonald house while his sister received treatment at John Hunter Hospital.

The idea is to save your silver coins and send them in to school. Each classroom currently has four jars marked with the Sports House colours. Students can put their coins in the jar that matches their Sports House. On Monday 20th we will line up each Sports House's coins under the COLA and see which line is the longest. Thank you in advance for supporting this wonderful charity.
