## Amazing Learning @ the Heights!

Today Stage 1 is exploring Total to investigate how life has changed over the past 150 years. This ties in with the History unit of work, **Past and Present Family Life**. Thank you to Mrs Dowman for her organisation of this wonderful excursion.

Early Stage 1 has been exploring the world of Palaeontology today. They have been enjoying wonderful activities which are the culmination of their unit on **Dinosaurs**. Thank you to Mrs Probst and Mrs Lobb for their organisation.

## School Holiday Activities

Please see attached to this newsletter the Newcastle City and Lake Macquarie School Holiday activities for the upcoming break.

## Kindergarten 2017 Evening

Last Wednesday evening it was wonderful to meet so many lovely families – some new to the school and some with an existing connection. We are eagerly looking forward to the orientation sessions starting next term in Week 1 (Wednesday 12<sup>th</sup> October).

If you know any families who have a child ready to start school next year and who live in our catchment area, please encourage them to make contact with the school as soon as possible.

## Movie Night

We are eagerly looking forward to the Movie Night tomorrow, 22<sup>nd</sup> September, starting at 5:30pm. The movie will be shown in the Kindergarten rooms. Students wear their pyjamas for the evening.

At the end of the evening, please wait outside the Kindergarten rooms and you will be invited in to pick up your child at 7:30pm.

## School Swimming Program

On Friday 14<sup>th</sup> October, the School Swimming Program commences. On these days, sports uniform is to be worn. Each child should wear their swimming costume under their uniform and bring their undies, a towel, goggles, a swim cap if desired, and warm clothing on a cool day. As instruction takes place in an indoor pool, there is no need for sunscreen or rash shirts, but **don't forget the undies and a plastic bag for wet swimming costumes!**

Please clearly label all belongings: uniform, socks, undies, shoes, goggles, swimmers, towels, etc. etc.

To accommodate the swimming program Canteen will be conducted on a Thursday throughout Term 4.

## Grandparents Day

On Thursday 27<sup>th</sup> October the school will be hosting Grandparents Day, starting at 10am. We would like to welcome the Grandparents and Grand-friends for the morning to be involved in special activities and have morning tea with us.

## School Banking

We will require a new Banking Co-ordinator from next year. The role is a commitment of about 1–2 hours per week. This will involve organising the deposits which students make to the Commonwealth Bank. This is a worthwhile initiative to teach children about financial literacy and also the school receives 5% of all deposits matched by the bank. If you are interested in this role, please see Mr Swain.
