Year 2 Technology Program

Today the Year 2 students worked with Mr Bozinovski from Lambton High School programming Spheros to navigate an obstacle course. It was wonderful to see the students highly engaged in this learning experience. I would like to thank Mr Bozinovski and Lambton High for so generously providing their resources and time. It was a great opportunity to complement our school's programs in STEAM (science, technology, engineering, arts and mathematics) with the expertise of our local high school.

**Science Talk**

Stage 1 has been investigating in science 'Changing Lands and Skies'. We enjoyed learning from Kate Harrison how park rangers manage our local National Parks. It was a highly informative session. Thank you!

**Attendance**

If your child is absent from school, it is important to make contact with the school via: phone call, Skoolbag app, email, note or in person to explain the absence.

If your child arrives for school after the school day has commenced at 9:15am, they will need to have a yellow slip signed by a parent/care-giver available at the front office.

Year 2 students who are attending orientation sessions at their respective primary schools will still require a yellow slip upon their return, but these sessions are not considered an absence (School Business).

Enrolment

If there are families who are changing their enrolment status with the school, please make contact with Mr Swain as soon as is practicable. This may have an impact on class formation and staffing for 2018.

Library

The last day for borrowing for this year will be Wednesday 29th November with all returns completed by Wednesday 6th December. This will ensure that the stocktake is completed before the end of the year. Thank you for your co-operation in this matter.

P&C News**CHRISTMAS RAFFLE**

Each year the P&C run a Christmas Raffle that is drawn on Presentation Day. This year we are asking for donations of all things special and Christmassy to be left in the box outside the office before Wednesday 6th December. Ideas include: colouring/activity books, shortbread, bubble bath, storybooks, gingerbread - anything that won't spoil (please note no alcohol can be accepted as children's names are often put on the tickets). All donations will be wrapped into raffle prizes on Thursday 7th December. Tickets will be sent home next Monday to sell to friends and family. If you have any questions, please email the P&C nlhipandc@gmail.com
